## ASSOCIATION OF NIGERIAN PHYSICIANS IN THE AMERICAS - HOUSTON CHAPTER

DR. BARBARA ONYIA - CHAIRWOMAN

I consider it a great honor and privilege to serve as ANPA Houston's new Chair for 2017-2019. Houston has experienced one of the greatest influx of Nigerian Physicians and, in the light of this, coupled with a deep sense of commitment, ANPA Houston was formed. ANPA Houston strives to harness the resources available within us to impart into our communities on four tiers - 1. To Educate about the various ailments that plague our communities 2. Increase access to health care and its attendant resources 3. Lobby for health policies that will help our communities 4. To Encourage the possibilities of grooming future medical leaders. Welcome to ANPA Houston where our core is Collaboration + Connection + Compassion.
